

# Gallant Venture:

## A Strategic Partner of the Southeast Asia Manufacturing Alliance

Manufacturers can now enjoy these differentiated benefits from Gallant Venture when they set up in Batamindo Industrial Park and Bintan Industrial Estate in Indonesia, under [the SEA Manufacturing Alliance](#), a partnership between EDB and private sector partners.

01

### **Differentiated factory rental rates**

across a selection of ready-built factories with flexible layouts

02

### **Waiver of one month's rent of accommodation**

for every 12 months' lease, with housing options such as dormitories, condominiums and bungalows

03

### **Differentiated logistics pricing and offerings**

provided by partners across land and sea transportation options

04

### **Discounted recruitment fee**

for staff up to supervisor and managerial level

05

### **10% discount for business license administration fee**

with a team of consultants to assist with incorporation and license application matters
