

Make Singapore your Smart Move with ONE Pass

Plan for the future in Singapore, with ONE Pass' **validity period of 5 years**

Enjoy **career flexibility** to start, operate, or work for **multiple companies concurrently across different industries**

Relocate easily, with **dependant passes** for family members. Spouses of pass holders will be able to work upon receiving a Letter of Consent

Ensure **greater stability** as the **personalised pass is tied to the individual** rather than the employer

Wondering if you're eligible for ONE Pass? Apply if you are:

Top talent

working in business, arts and culture, sports, science and technology, academia, and research

An existing pass holder or overseas candidate*

who earns a fixed monthly salary of at least S\$30,000 within the last year or under your future employer based in Singapore

*Overseas candidates will also need to demonstrate that you have been or will be working for an established company in Singapore

An individual with outstanding achievements

in the arts and culture, sports, science and technology, academia and research sectors, even if you do not meet the salary criterion
